

CardioThoracic Surgeon to Join Group in Lansing, MI

McLaren Greater Lansing – Lansing, Michigan

Contact: Melanie Stosik (586)741-4082, Melanie.Stosik@mclaren.org

McLaren is recruiting two Cardiothoracic Surgeons to provide local comprehensive cardiac surgery options to the Greater Lansing community. The recruitment is due to a strategic expansion plan to regionalize services throughout the health system. By joining the McLaren Cardiac and Thoracic Surgery group you will have excellent mentorship of 4 established surgeons, full support from advanced practice providers and inpatient support from the hospitalist service and general surgery residents. Additional highlights include:

- Demonstrated case volumes with the opportunity to expand the program.
- Support from an excellent OR team that maintains two dedicated OR suites for CTS with block schedule availability!
- A variety of cases including CABG, mitral valve repair, aortic valve replacement and thoracic surgery including esophageal surgery, lung, chest wall & mediastinal resections.

McLaren Greater Lansing, in partnership with Michigan State University, is reinventing health care delivery with a new hospital campus! This 240-bed state-of-the-art hospital, cancer center and ambulatory care center will be home to more than 1,000 physicians, researchers, educators and other members of the academic and medical team. The current estimated timeline to open the facilities is 2021.

McLaren Greater Lansing, is a tertiary teaching facility with 310 acute care beds, located in Lansing, Michigan. The medical center is home to one of the nation's leading cardiac programs; state-of-the-art clinical centers for oncology and women and children's health; medical/surgical units; and a full-service pharmacy. Its residency programs are affiliated with Michigan State University College of Osteopathic Medicine and Michigan State University College of Human Medicine. Residencies include family medicine, internal medicine, general surgery, obstetric/gynecological surgery, orthopedic surgery, and physical medicine and rehabilitation. Fellowships are offered in cardiology, hematology/oncology and sports medicine. McLaren Greater Lansing also participates in a citywide emergency medicine residency program. **McLaren Greater Lansing** is a subsidiary of McLaren Health Care Corporation, a fully integrated health network, committed to quality, evidence-based patient care and cost efficiency. McLaren includes 12 hospitals and provides care to 75% of communities in Michigan touching over 6.5 million lives.

Home to Michigan State University, **Lansing** is a robust capital city with a multitude of strong vibrant neighborhoods. The city speaks 63 different languages, boasts of New York level entertainment venues (Wharton Center and the Edythe and Eli Broad Art Museum), and offers either small town or urban city living options. As a college town, Greater Lansing draws in several amenities not available in other areas. The city has endless and diverse dining options, which includes over a dozen wineries, breweries, and distilleries, most of which have tasting rooms on-site. The Lansing Public School District is one of the largest in the state of Michigan, encompassing high schools, middle schools, and elementary schools. The area also has several top quality Charter and Private Institutions for families that seek an alternative to public schooling. For educational family activities, tour the state capitol building, visit Impression 5 Science Center, or learn about our state's history at the Michigan Historical Museum. For outdoors entertainment, head to one of Lansing's numerous parks, scenic recreational trails, gardens, and nature centers. Catch the Spartan Spirit in Lansing, Michigan!
