

MSTCVS GENERAL THORACIC SURGERY

2023 VALUE-BASED REIMBURSEMENT

Measures 1-3 are collaborative wide

The target must be achieved at the state level in 2 of 3 measures to receive reimbursement.

*Measure #4 provides an opportunity to receive VBR for attending MSTCVS meetings.

Sites are eligible for VBR reimbursement if the targets are achieved at the site level in all four measures.

	Statewide Measure Description	Measurement Period	Baseline State Mean	Statewide Target Performance
